

Can't come to GPA? GPA can come to you!

### GPA online eLearning is available to students who ...

- ▶ Are enrolled in the [Geriatric Certificate Program](#)
- ▶ Are enrolled in or a graduate of an accredited healthcare program
- ▶ Want to enrol in a GPA Certified Coach Training workshop, but need the prerequisite experience in GPA philosophy and [GPA Basics Education](#)
- ▶ Work in a role in which they interact with persons with dementia
- ▶ Are exploring employment opportunities for which GPA is a prerequisite.

GPA eLearning includes **key content** from the GPA Basics curriculum, delivered via short **video tutorials** from the 4 modules in a GPA Basics Education session, as well as demonstration videos on respectful **self-protection when faced with responsive behaviour**. The eLearning program takes 2 to 3 hours to complete.

GPA eLearning is an engaging learning experience based on adult learning principles, including vibrant images and professional narration. Following along in the GPA eManual (available for download at the start of the program) students review the video segments and complete online matching activities at the end of modules 1, 2 and 3. Module 4 is delivered in the same video format and demonstrates respectful self-protection and gentle redirection techniques.
