

There's more than one way to do GPA!

NEW!!
Virtual classroom options.

Dementia education for healthcare providers. Click on a format for more info ...

GPA Basics

Full-day virtual or traditional classroom session.

Best for formal healthcare providers.
Requires a GPA Certified Coach.

iGPA

Blended learning. GPA eLearning + half-day virtual or traditional classroom session.

Best for large organizations to train staff quickly, minimizing backfill.
Requires a GPA Certified Coach.

GPA eLearning

Independent 2.5 to 3-hour online session.

Ideal for students & distance learning.

(Not equivalent to GPA Basics or iGPA.)

Certified Coach Training

Train a GPA Certified Coach for your organization.

Virtual or traditional in-classroom workshop formats.

Still not sure which GPA format is best for your group? Want to register a group? Chat with us!
